

CCAF SERMON NOTES FROM BISHOP HAROLD E. RAYFORD

SERMON NOTES FROM 1-7-2024
TEXT: Romans 8:26-30 (Key Verse is #28)
SERMON TOPIC: Enjoy Life (Part 1)

Write this down: Don't miss "moments". Life moments are unpredictable and rare. They should be cherished. They cannot be duplicated or recreated. (You had to be there moments.) James 4:13-17

Write this down: Our God doesn't only bless with material things. He gives us favor. His favor is life. He transforms us and our demeanor, miraculously. Psalm 30:5c, Proverbs 12:28, Proverbs 19:23

Write this down: Faith takes some pressure out of life. Saints do NOT have to "worry" about outcomes, we get to trust God's plans and decisions. God has a master plan for us that is "good". Jeremiah 29:10-14, Romans 8:28, Philipians 4:6

Write this down: The Sovereignty of God is not just a mystery; it is a fact. The fact is that He is Sovereign enough to foreknow (or predestinate). The mystery is why He chose us! The miracle is when He chose us. Romans 8:29-30, Ephesians 1:3-4

Write this down: Those who are Born Again share similar testimonies: We have similar conversions, the same hope, and the exact same eternal destiny. Romans 8:30, Titus 2:13-14, I Peter 1:3-5
